

LETTER OF RECOMMENDATION

September 27, 2011

To: British Columbia Achievement Foundation
6209 Angus Drive
Vancouver BC V6M 3P2

Dear Madam, Sir:

As an Amec site Electrical Supervisor on the New Afton Project, I am pleased to recommend Clayton Scott and CSC Electric Ltd. for the upcoming 2011 BC Aboriginal Business Awards.

CSC has been involved with our project since March 2010. They started with one electrician assigned to the project on a part time basis. Today, CSC has a total of 33 men on the job, working virtually in all areas of the project: an underground crew installing the main mine pumping system and a crew installing all the cable tray and lighting systems for the mill. We have CSC people receiving all the electrical components for the mill building. They have become our "go to" electrical contractor for all of our day to day construction needs.

We are pleased with the workmanship and the professional manner in which each task is handled.

It is without reservation that I recommend Clayton Scott and CSC as an Electrical Contractor nominee for the 2011 BC Aboriginal Business Awards.

Yours truly,

 P.ENG
PROJECT MANAGER

for/ Ray Olafson
Electrical Supervisor
New Afton Project
